YOUTH SAFETY • CIVIC INFRASTRUCTURE • STRATEGIC PARTNERSHIPS

Community Impact & Operations Internship (Volunteer-Based)

*We don't just show up.
We build what lasts.*

Men and Women of Vision is seeking individuals interested in gaining hands-on experience in nonprofit operations, youth engagement, and community-based systems building.

This is an active, working role. Interns contribute directly to initiatives supporting youth safety, volunteer engagement, and community coordination.

More than a chance to DO; this is an opportunity to BECOME!

Focus Areas May Include

- Youth safety workshops & real-time engagement
- Event coordination & on-site flow
- Volunteer tracking & civic infrastructure
- Operations, documentation, and reporting
- Outreach & partner coordination

Who This Is For

Ready to engage in meaningful community work
Reliable and able to follow through
Comfortable taking initiative and learning by doing
Interested in leadership and systems-building
Open to growing into expanded roles

What You Gain

- **Real responsibility**—not just participation
- **Work that impacts** real people and communities
- **Insight into** how programs and systems are built
- **Verified service hours** with national eligibility
- **Pathways into** leadership, governance, and growth

**If you're ready to do real work and grow into something more—
this is your entry point.**
