OUR MISSION

To empower, mentor, and lead the youth of Virginia toward positive personal development, academic success, and community impact through structured programs and unwavering support.

KEY CAPABILITIES

Fentanyl Awareness Education

Engaging, age-appropriate sessions that educate youth on the risks of fentanyl, peer pressure, and decision-making, while promoting safety and awareness.

Mentorship & Leadership

Structured mentorship programs that develop leadership skills, personal accountability, and long-term growth through consistent engagement and guidance.

Community Engagement

Building strong partnerships with schools, organizations, and community leaders to deliver impactful, coordinated initiatives that meet real needs.

Men and Women of Vision

is a Virginia-based 501(c)(3) nonprofit serving the Hampton Roads region through community-based programming, youth development, and strengthening organizational and civic infrastructure.

We align service, leadership, and the systems behind the work so community impact lasts.
