

# Men and Women of Vision

YOUTH SAFETY • CIVIC INFRASTRUCTURE • STRATEGIC PARTNERSHIPS

## WHAT WE DO

MWoV strengthens communities through three core areas:

### Youth Safety Education

Decision-making education for middle & high school students, focused on fentanyl awareness and real-time response.

### Civic Infrastructure

We turn service into leadership pathways with structure, recognition, and growth.

### Strategic Partnerships

We connect people and organizations so efforts align, scale, and sustain.

## HOW WE WORK

- Deliver school- and community-based education
- Build structured engagement and leadership pipelines
- Partner with organizations for coordinated impact
- Support systems that sustain results over time

- ✓ Bring a Youth Safety Workshop
- ✓ Partner on a Community Initiative
- ✓ Join the Network

Scan to connect and take the first step.

### BUILD WITH US

Whether you're looking to:

- bring programming into your school or organization
- support community initiatives
- grow into leadership through service

There's a place for you here.
